Re: PPE (Personal Protective Equipment)

Licking County Office of Emergency Management and Homeland Security is committed to help fight the battle against COVID-19. In order to help all First Responders and Medical Personnel and to comply with Ohio Department of Public Health's Orders, LCEMA will be accepting donations of PPE to include: N95 Mask, Nitrile gloves (any size) Tyvex suits and Safety Glasses. These items that are normally easy to acquire have become back logged through all vendors. **We are asking anyone who may have these items send an email to [jwieber@lcounty.com](mailto:jwieber@lcounty.com) or call (740)404-5034** and we can arrange a drop off or pick up ASAP. Thank you for your help on this and with everyone working together we can beat this virus and return back to normal operations.
